Dear Mayor and Councillors:

**Re: Letter of Thanks**

At the September 2012 meeting of the Richmond Seniors Advisory Committee (RSAC), the following motion was passed:

*That we, the Richmond Seniors Advisory Committee, send a letter of thanks to the Mayor & Councillors for their resolution to support RSAC's request to the Province regarding the duties of the "To Be Appointed" Advocate for Seniors, as well as to Translink regarding the TaxiSaver Program, and that our appreciation be extended to Staff for their recommendations to Council supporting RSAC requests.*

As indicated, we are most grateful for your strong support of seniors' issues and truly appreciate the advocacy on our behalf.

Yours truly,

Kathleen Holmes  
*Chair, Richmond Seniors Advisory*
